

**DPA Warm Up Idea 3: Stories**

**Ages appropriate for:** Grades 1-8 – vary story by age

**Equipment needed:** None

**The Nitty Gritty:**

Tell a 3 minute story about spring and get the kids to act out the story. For example the trees grew taller and taller as the bunnies hopped about the fields. The flowers bloomed and the birds flew away from their nest to get food.

**How to tie it into the curriculum:**

Geography: Weather & Seasons

Science: Animal growth and reproduction
